

CALZE ILEANA SPA is not only a brand but a precise will to dress the most glamorous legs in the world, becoming the ambassador of the well-known made in Italy quality.

In **1968**, when the modern tight concept was born, Ileana Pinelli started her adventure, founding in **1982** MANIFATTURA CALZE ILEANA.

The ready-to wear diffusion and the growing importance of fashion, inspired Ileana and in **1986** she started proposing her own collections, taking inspiration from pictures, objects and people during her trips around the world.

In **1996** Alda & Luca, Ileana's children, joined the company with the goal of improving and maximizing Calze Ileana results, which in few years acquired value and making it ready for the future.

In **2006** "Manifattura Calze Ileana" became "CALZE ILEANA SPA".

**2008** represented the beginning of capsule collections dedicated to superluxury brands, and fashion designers.

In **2011** Ileana celebrated her 60th birthday and, together with her children, style and commercial teams, forecasted to expand a completely renewed ILEANA brand to China, Russia and US markets.

future begins ...
